The Nebraska Commission on Law Enforcement and Criminal Justice is seeking input on Nebraska's Victim Assistance Strategic Plan. The plan will allow the state to receive federal funding for victims of crime.

The University of Nebraska Omaha's Juvenile Justice Institute is working with the Crime Commission to conduct an interactive conference call, which will give you an opportunity to vote on the most pressing issues facing victims of crime in Nebraska. Participants will have a chance to help shape the priorities in Nebraska's victim assistance strategic plan.

## TO PARTICIPATE:

RSVP to [sfousek@unomaha.edu](mailto:sfousek@unomaha.edu) by July 1.

You will receive a reminder email with a call-in phone number on July 6.

Call in to the phone number on July 7 at 10 AM.

You will receive voting instructions at the beginning of the focus group.

In order to cast your vote, you will need to have access to a computer or smart device.
