Join us for our next victim advocate training workshop—**The Ripple Effects of Trauma**—at Creighton University. Participants will explore how unprocessed trauma can cause ripple effects that become disruptive to a person's emotional well-being and life. Trauma consultant and author Elizabeth Vermilyea, PhD, will discuss the impact on victims, loved ones and helpers.

*This course meets the Board of Mental Health & Social Work requirements for continuing education in the state of Nebraska. Credits are self-reported.*
